Some additional resources for adaptive driving are:

[Adaptive Driving Alliance](#) - The Adaptive Driving Alliance (ADA) is a group of vehicle modification dealers who provide van conversions, hand controls, wheelchair lifts, scooter lifts, tie downs, conversion van rentals, Paratransit and other adaptive equipment for disabled drivers and passengers.

[National Mobility Equipment Dealers Association](#) - Is a non-profit trade association of mobility equipment dealers, manufacturers, driver rehabilitation specialists and other professionals dedicated to expanding opportunities for people with disabilities to drive or be transported in vehicles modified with mobility equipment. All members work together to improve transportation options of people with disabilities.
